Ok...I've got it. Mine does not have the SC-EPA-00163 notation so that's what confused me.

Thanks,

Tim

It is the NIOSH Site Visit Report 2002-0437, dated July 25, 2003, The

statement is in paragr sph 5, page 1. The SC--EPA-00163 notation appears

bottom right on the page.

RE: Work Schedule in Marysville

Bob, I can't figure out which report you are referring to. Is it NIOSH

or EPA? What year?

Tim

There is some information on work schedule in the NIOSH report about the

Marysville plant. See page SC-EPA-00163. The information in the report

applies to work schedules in December 2000. Please see if you can verify whether similar work schedules were used in the 1963-1980 time

frame.
